

CHILD CARE ALLIANCE OF LOS ANGELES
California Early Care and Education Workforce Registry
Data Entry Specialist

JOB ANNOUNCEMENT

The Child Care Alliance is seeking a Data Entry Specialist, an integral position for the expanding California ECE Workforce Registry and a support to the child care professional workforce. This entry-level position is offered to those interested in being part of a nonprofit organization that is committed to making a difference and dedicated to supporting families and the early care and education field.

Position Summary

The Data Entry Specialist will work with the Data Entry Supervisor to verify, analyze, enter, and upload Registry participant education and training data to the California Early Care and Education Workforce Registry (Registry), a project of the Child Care Alliance of Los Angeles (CCALA). The Data Entry Specialist will also provide information and technical assistance to Registry participants via the Registry help desk chat, phone calls and emails.

The Registry is a state-wide information system that serves the early care and education (ECE) workforce as well as researchers and policy makers. It collects, verifies and records demographic, education, training, and employment data about the ECE workforce. Registry data will be used for many purposes including planning professional development programs for individuals in the workforce, policy development and decision making, accountability and evaluation.

The Data Entry Specialist will play a role in ensuring effective, efficient and consistent service and communication is maintained with Registry users as well as internal and external staff. The Data Entry Specialist will assist and support the Data Entry Supervisor in carrying out program activities including day-to-day tasks and any follow-up, as well as communications and customer service with CCALA staff, partner agencies, funders, and participants, as needed.

Essential Duties

- Verify, analyze, and enter participants' educational, professional development, and employment documents, ensuring data accuracy; maintain data security and confidentiality protocols; and follow data entry processes and procedures.
- Provide Registry information and technical assistance support to Registry users; promptly respond to help desk, telephone, email, and in-person inquiries.
- Assist with data tracking to ensure accurate records of document submissions and communications with early learning providers.
- Collaborate with the Data Entry Supervisor to support improvements to the Registry and data entry processes, and help achieve program goals to ensure project success.
- When needed, assist the Outreach Coordinator with community events or conferences.
- Perform general office duties such as filing, copying, scanning, etc.
- Perform other duties as assigned.

Required Qualifications

- Associate's Degree in applicable field or equivalent combination of education and experience.
- Minimum of 1 year of relevant experience including data entry and customer service with external clients.
- Effective keyboarding and computer skills, including experience with Windows, Microsoft Office suite, databases, word processing and spreadsheet software.
- Ability to manage multiple tasks and meet required deadlines.
- Strong interpersonal skills including the ability to work effectively with diverse client populations.
- Ability to exercise confidentiality, discretion, and good judgement.
- Good analytical and problem solving skills.
- Good time management and organizational skills.
- Ability to understand, follow, and give verbal and written instructions.
- Desire to work collaboratively with others at all levels of the organization and work cooperatively with other agencies.
- Ability to be flexible, innovative and to adapt to the changing needs of the program.
- Valid CA driver's license and insurance coverage which meets CA standards.

Preferred Special Knowledge, Abilities, and Skills

- Working knowledge of the college credit system preferred.
- Understanding of the child care delivery system and child care provider population is desirable.
